Disinvestment Target

388. SHRI S. RAMACHANDRAN PILLAI: Will the Minister of DISINVESTMENT be pleased to state:

(a) whether it is a fact that Government would not be able to meet budgeted disinvestment target of Rs. 10,000 crore this fiscal year;

(b) if so, what are the reasons therefor;

(c) by when the aforesaid target is likely to be achieved; and

(d) the details of steps taken in this regard?

THE MINISTER OF STATE OF THE DEPARTMENT OF DISINVESTMENT (SHRI ARUN SHOURIE): (a) Yes, Sir.

(b) Out of the 40 central Public Sector enterprises in which disinvestment of Government equity was carried out till 31st March, 2000, minority stake were sold in 39 cases. Only in one case, *viz.* Modem Foods Industries Ltd., strategic sale was conducted. In view of the inherent advantages of disinvestment through strategic sales as compared to sale of minority states, the emphasis was laid on adopting strategic sale method of disinvestment in most of the Public Sector Enterprises. Typically, the time period taken to complete the strategic sale transactions is longer than the time taken to complete minority sales. Further, disinvestment in the Central Public Sector Enterprises is carried out as per a prescribed transparent process. The completion of the disinvestment exercise depends on various factors like market conditions, time taken by the prospective bidders for due diligence, finalization of the agreements, response from the investors to the stake offered etc. In view of such market related factors it is not possible to adhere to any strict schedule for disinvestment. Moreover, Government is committed not to disinvest in distress to meet any targets whatsoever. Nevertheless, every attempt is made to ensure that delay is avoided, by streamlining procedure.
